EXPERIENCE

DP World (Multimodal Solutions)

Transformation Intern

Europort, Netherlands

January 2026 – June 2026

- Prepared presentations to share insights across teams and market updates for shareholders.
- Designed a Strategic Fit Scorecard for M&A target assessment, integrating strategic, operational, and financial criteria to support the screening and prioritization of potential acquisition targets.
- Contributed to the redesign of the procurement function by gathering stakeholder input across operational departments, supporting the development of an operating model, roadmap, KPIs, and governance structure.
- Conducted competitor analysis for positioning and integration potential within the logistics industry to support M&A evaluation and strategic decision-making.
- Designed a change management framework based on ADKAR, Six Sigma, and consulting firm methodologies to support organizational transformation initiatives.

Philips

Innovation & Strategy Intern

Eindhoven, Netherlands

September 2024 – February 2025

- Supported an AGILE project focused on the development of a digital procurement solution, improving global knowledge transparency to reduce double-digit million expenses.
- Analyzed workflows, identifying inefficiencies and opportunities and building user stories.
- Collaborated with cross-functional teams to define and adjust business requirements, ensuring alignment with project goals.

Knikkers Uitzendwerk

Logistics & Production Assistant (Part Time)

Tilburg, Netherlands

May 2023 – July 2025

- Supported B2B/B2C logistics operations across departments.

PROJECTS & ACTIVITIES

Consulting Project for AkzoNobel – EUR Innovation Clinic

September 2025 – June 2026

- Conducted employee interviews to identify barriers to the adoption of digital tools within R&D.
- Designed a Kaizen-inspired feedback system with clear ownership, escalation paths, and closed-loop communication.

SDG Challenge (IO Digital) – Best Pitch Award

February – May 2026

- Researched, planned, and pitched a Slack-based microlearning concept to improve cross-departmental collaboration and employee engagement.

Samsung Solve for Tomorrow – Finalist

September 2025 – June 2026

- Worked with an international team to pitch a reusable logistics-packaging concept, assessing its sustainability, operational feasibility, and business value.

Outreaching Honors Program – Tilburg University

September 2023 – June 2025

- Leadership program following additional courses on negotiation, public speaking, and applied projects.

Consulting Project – Bekske Coffee

October – December 2023

- Conducted market research to develop a B2B branding strategy and practical marketing recommendations.
